)
 M/V THULE PHOENIX (Official)
 Number 12777/554929); and its)
 engines, tackle, furniture, apparel,)
 appurtenances, etc., in rem,)
)
 Defendant.)

This matter is before the court on Alabama State Port Authority's Application for Default (Doc. 36). The court declines to enter default against a vessel that has been sold free and clear of all liens and possession has been taken by the new owner. The court will, however, entertain a motion for disbursement of funds after the deadline for claims against the proceeds of the sale has expired on November 14, 2011.
